

VISITATION GUIDE FOR DELAWARE LONG-TERM CARE FACILITIES

COVID-19 INFORMATION UPDATE

	Compassionate and Support Person Visits	Always allowed
	Window Visits and Zoom/Virtual Visits	Always allowed
	Outdoor Visits	Allowed as long as facility can operationally support it (weather and resident health permitting)*
	Indoor Visits	Allowed at all facilities unless an outbreak is detected and is actively being mitigated**

INDOOR OR OUTDOOR VISITS ARE NEVER ALLOWED:

- For individuals in isolation due to their positive COVID status
- For individuals in quarantine due to COVID exposure or unvaccinated (re-)admissions

INDOOR VISITS ARE NOT ALLOWED:

- For unvaccinated residents if the county positivity rate is above 10% and less than 70% of residents in the facility are fully vaccinated

*Regardless of county positivity rate or outbreak at facility.

**Outbreak mitigation can last as little as 24 hours or may be longer than 14 days if new cases are detected. Outbreak is defined as one or more cases of COVID-19 in either a resident or staff member.

Complete guidance on visitations in long-term care facilities in Delaware is available [here](#).
